Cancellations

Please contact me if you are unable to attend a particular lesson. (See phone nos. at bottom of page.) If you do not inform me of your intention then you will be charged for that lesson. Whether you turn up or not, we still have overheads we have to meet, such as hall hire, afternoon tea, some material costs, etc. so we would appreciate your assistance in this matter as much as possible.

Art materials:

All students will be required to purchase and bring their own art materials each week. **(See below for list of materials.)**

If you have any problems in obtaining your art materials please see Pam.

Payment envelopes:

All students need to place money in an envelope with their name, amount and date on it, if they are paying themselves, to avoid any problems. If an adult is paying, then this is not necessary.

Queries:

Any problems or queries, please do not hesitate to contact Pam McKinlay (4267 4570 or 0418 201 587 (mob.) or email

LIST OF ART MATERIALS FOR 2009

This year students will need to build up their own materials during term. I will only be keeping on hand the bare minimum required if materials run out during the lesson or there is something required as a 'one off' for special projects. If materials are left at home, then students will do a drawing lesson only.

Note: Students will not be allowed to share or borrow other people's materials (unless of the same family), as parents go to a great deal of trouble to provide their children with the correct art materials and each child, I believe, has the responsibility of looking after their own materials. (I will not be responsible for lost items.)
